May we have your views on the position the Agency should take on State's proposed Foreign Service Retirement Act amendments, which are attached.

We had previously received a copy directly from State and sent it to D/Finance for comment concerning the applicability of the funding provisions to the CIA Retirement Act. In this connection, your attention is invited to the attached excerpt from the OLC 12 February Journal. You also will be interested in knowing that OMB has asked Treasury for its views on the possible inclusion in the CIA Retirement Act of financing provisions similar to that proposed in State's draft bill.

We are obtaining two additional copies of the draft bill, one for review by the General Counsel and the other by ~~OPPB~~ ~~OPPB~~.

You will note that the due date for a reply to OMB is 8 March, and we would appreciate comments no later than COB 6 March to draw up and coordinate our reply to OMB.
